Spanish Town Ball – Baton Rouge River Center

King Chris Fink

Queen Frankie Moore

Grand Marshall Mary Alice Gray

If you don't live in Baton Rouge and you drove by the Baton Rouge River Center you would think some type of strange convention was going on. Nope it was Spanish Town Ball. Dress for the ball is Creative Formal, Costume or anything goes as long as it is legal. The Theme for the Ball is Pink Party. The opening band was Andy Randolph & The Family Band started about 8:00pm then the presentation of the King, Queen and Grand Marshall. Then about 10:00pm the Bucktown All Star played. Everyone dance and had a good time. We had six tables of ten at the Ball and like every year it was fun and an event everyone should put on their bucket list. We can't wait to roll in the Parade on February 6, 2015. Spanish Town is a historic neighborhood downtown and started the Ball & Parade many years ago. All profits from the ball and parade go to local Charities in Baton Rouge.

Float Clean Up Day 1:00pm to 4:00pm

We had a float clean up date on 1/23/15 from 1pm to 4pm at 964 N. Parkview Place Baton Rouge, LA. Everyone started showing up around 1:00pm. They rushed off to the General Dollar to get some more supplies. Larry wins for the best cleaner on the earth. He scrub that float down. Karen Jones showed up with Champagne & Orange Juice. Not sure what they did with that. Vicky showed up with a Chocolate Chip King Cake and she also got fussed at for parking in the yard so what else is new. We talked about what needs to be done before Parade Day and Mick said he could handle it in Frank's absent. Thanks Frank for being here this weekend we all will miss you this year at the Parade. Yes we will take care of Kathi.

Thanks Karen Jones for the Kick Start Mimosa and everyone who shared breakfast food. We all toast to have a fun and safe parade and off we went to lineup at 9:00am. We got in line up then it begins everyone organized their beads. We had visitors stop by the float while we listen to our Tunes and at Noon the parade started to roll. We rolled the streets of Downtown Baton Rouge and listen to the crowd yell Throw Me Something Mister. Our Float Walkers did an amazing job of keep the crowd back and under control. We reach the end of the Parade route and headed back to our loading parking lot. Thanks to HAFA we didn't have a long drive. We all help unload and make sure all was well to drive home.
